Nguyen Phu Quoc

Frontend Developer

ABOUT ME

I have 2 years of experience working with the JavaScript language and 1 year with the ReactJS framework and NodeJs. In addition, I have knowledge of frameworks and libraries, Tailwind CSS, and Bootstrap. I have an understanding of relational databases (MySQL) and No SQL (MongoDB). My goal in the next 2 years, to become a junior front end developer.

PROJECT

Social Media Web Application

Jun-2024 - Sep-2024
